PAST

- From 1908 historical seat of the „Polish Home” (pol. „Dom Polski”) in Vienna
- Centre of Polish cultural and social life in Austria
- Established by a resolution of the presidium of the Polish Academy of Sciences in 1985
- Opened after renovation in 1991

MAIN GOAL:

Supporting Polish-Austrian scientific relations by:

- helping in establishing scientific cooperation between Polish and Austrian researchers and scientific institutions
- organizing international conferences, lectures and webinars
- promoting young Polish scientists in international environment (Lanckoroński Fellowship Program)
- serving as a contact point for the Polish diaspora in Vienna
- organizing and hosting exhibitions and cultural events

What can we offer:

- Help in establishing scientific contacts with Austrian institutions and research centres
- 28 guest rooms (1-4 people/room)
- 2 conference spaces/rooms (Sobieski's Room – over 100 places, Kopernik's room – 30 places)
- Library (focused on Polish-Austrian relations, social sciences and humanities)
- Students' internships
- Events' and exhibitions organization

Main areas of interest:

- War and peace studies in East-Central Europe
- Polish-Austrian relations in historical and cultural perspective
- National identity in multilingual- and multicultural environment
- Political polarization in East and Central Europe
- Memory policy and laws
