

on-line event

7th September 2022

Who we are & what we do?

Polish Science Contact Agency

- ▶ established in March 2005, initially as part of Paris scientific centre PAS
- ▶ Since **1st April 2006** based and operational in Brussels
- ▶ supervised and funded by the **Polish Academy of Sciences**
- ▶ part of the network of 6 foreign PAS scientific centres across Europe

- ▶ **mission of PolSCA** is to promote, facilitate and foster participation of the **Polish R&D community** in European projects and initiatives. In particular, PolSCA aims to strengthen activity of the **PAS community** in the EU research and innovation framework programs.

THREE PILLARS FOR IMPLEMENTATION

PolSCA's mission

MONITORING

- > EU R&I policy development official + informal
- > Networking regional + (inter)national
- > Translating knowledge >>

COMMUNICATION & DISSEMINATION

- > Organisation of events trainings + open events + internal policy events
- > PR activities focus on PAS community >>

SUPPORTING R&I COMMUNITY

- > Targeted activities interest-based
- > Engagement at the level of support staff + researchers
- > Building and strengthening community > PAS networks
